

Success for Ohio

MathWings Schools in Ohio Gain on Ohio Proficiency Tests

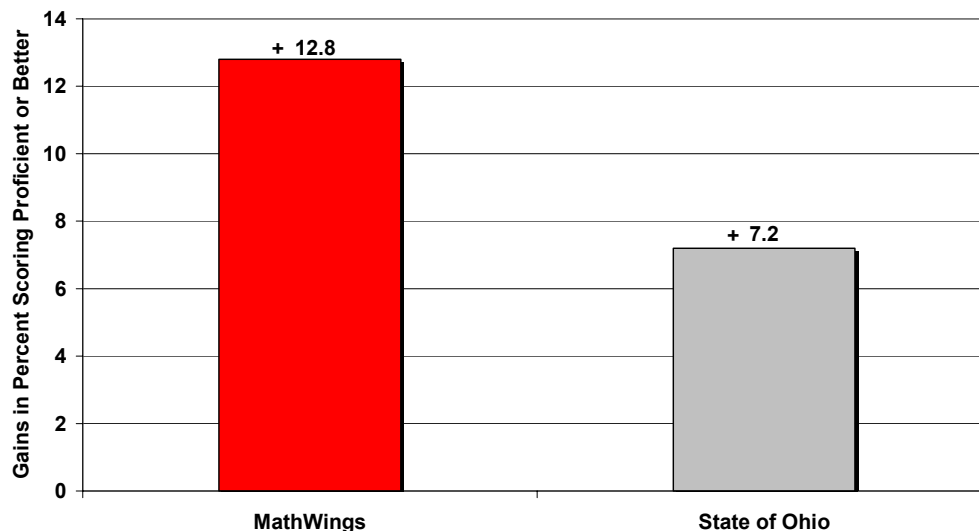

Ohio schools implementing the Success for All Foundation's MathWings program made outstanding gains on the 2004 Ohio Proficiency Test-Mathematics scale. From 2003 to 2004, fourth graders in MathWings schools gained an average of 12.8 percentage points in students scoring at or above the proficient level on the Ohio Proficiency Test. Other Ohio schools gained 7.2 points.

The 2004 Ohio Proficiency results reflect previous Ohio findings as well as outcomes found in states throughout the U.S., affirming that students in MathWings schools gain more than those in other schools on state accountability tests.

Schools making particularly outstanding gains include:

- Roosevelt Elementary in Steubenville: 34.2%
- Garfield Elementary in Steubenville: 24.8%
- Hartwell Elementary in Cincinnati: 18.3%
- Lincoln Elementary in Steubenville: 17.9%
- Gamble Elementary in Cincinnati: 9.4%
